

NATS ACCOMPANISTS

The following is a list of pianists who are available to play for the NATS Ontario Vocal Showcase. Singers must provide their own accompanist for this event; teachers may not accompany their own students. This list is intended to be a reference and resource and participants must contact and make their own arrangements directly with the pianist to discuss all relevant details, including song style, number of songs, rehearsal time, providing pdfs, etc. Please be advised that same-day rehearsals at the venue can be hard to coordinate as available practice rooms are limited. A rehearsal prior to the weekend is recommended.

The accompanists listed are professional musicians who will set their own rates and availability for rehearsal time. It is the duty of each singer to inform their accompanist of their scheduled performance details (day, time, location/building and room number) as soon as they receive it.

NATS Ontario has provided this list of professional accompanists to assist singers who are participating in the Vocal Showcase, but NATS Ontario cannot take responsibility for the quality of their performances, nor for their rates, availability or terms. It is up to the singer to negotiate any and all terms directly with the accompanist. To secure an accompanist, participants may be asked to pay a retainer once an agreement is reached, as pianists may only play for **seven** singers per day. In the chart below, note the pianist's location (FYI) in brackets, as this may affect advanced rehearsal.

If you have any questions, or if you are an accompanist who would like to be added to this list, please contact our Coordinator at showcase@natsontario.org.
